YOUR LITTLE GIRL

Just loves to have everything prepared for your comfort when you come home from work or business. The fire in the grate all set, the easy chair, the comfortable old slippers placed temptingly in front of the fire. Do the right thing by her and see that there is plenty of coal. The Parlette Lecture

The last number on the Lecture Course of the Maysville High School was the lecture last night on "The University of Hard Knocks" by Ralph Parlette. Parlette is one of the best entertainers that has ever been here. His entire personality is wit and while it is generally preached that childhood is the happiest in a person's life, Parlette declares that the older one grows the larger the capacity for happiness. His entire lecture was interspersed with wit and humor, and there was not a dull moment while he was on the platform. Maysville would be glad again to have Ralph Parlette included in the lecture course at the High School.

Terrible Train of Troubles

Lake Charles, La.—Mrs. E. Fournier, 516 Kirby street, says: "The month before I took Cardui I could hardly walk. I had backache, headache, pain in my legs, chills, fainting spells, sick stomach, dragging feelings and no patience or courage. Since taking Cardui I have no more pains, can walk as far as I want to, and feel good all the time." Take Cardui and be benefited by the peculiar herb ingredients which have been found so efficient for womanly ills. Cardui will relieve that backache, headache and all the misery from which you suffer, just as it has done for others. Try Cardui.

She was descending the walk in Limestone street near Mr. John M. Hunt's residence when the unfortunate accident occurred.

Thought He Was Blinded

John M. Browning, whose home is in Williams street, employed at the Magnolia Flour Mills, while engaged in white-washing at the mill yesterday, met with an accident that for a time was quite painful, and John was dead sure he was blinded for life, but the attending physician soon relieved him of his pain and restored his vision. The hose used in spraying the white-wash bursted and the lime splattered in John's face and filled his eyes with the burning substance, hence his cry of pain and great lamentation.

BRONCHITIS

To Whom it May Concern

Bluevale, Ont., May 4th, 1913. "I was sick for two years with chronic bronchitis and a consequent run-down condition. I received no benefit from doctors or from a trip which I took for my health and I had to give up work. Vinol was recommended and from the second bottle I commenced to improve—I gained in weight and strength, my bronchial trouble disappeared, and I am at work again. I want to recommend Vinol to anyone who is in need of such a medicine." Thomas Higgins. (We guarantee this testimonial to be genuine.) It is the combined action of the curative elements of the cod's livers aided by the brand making and strength creating properties of tonic iron contained in Vinol which makes it so successful in curing bronchitis. Vinol is a constitutional remedy for chronic coughs, colds, bronchitis and pulmonary troubles, not a palliative like cough syrups. Vinol contains no oil or drugs and is far more efficacious than such mixtures, because it cures the cause. Try it. If you don't think it helps you, we will return your money. John J. Peck, Druggist, Maysville, Ky.

HON. W. D. COCHRAN

Will Not Enter Race for Governor—Is For Lieutenant Governor Cox

Friday's Commercial Tribune. The race for the Kentucky gubernatorial nomination was somewhat simplified yesterday afternoon when William D. Cochran announced to this city that he had decided not to run against his fellow-townsmen, Lieutenant Governor William H. Cox of Maysville.

Cochran, who is a wealthy attorney of Maysville and a brother of Federal Judge A. M. J. Cochran, said that he felt very grateful to his friends for the efforts that they had made to secure the nomination for him, but that he had no desire to enter political life, and that under no circumstances would he allow his name to be used for any political office.

It will be news to some that Mr. Cochran had been prominently mentioned, but it is true, nevertheless. He stands very high in the esteem of both State and National leaders, but he prefers to stick to his big law practice rather than seek office.

EASTER TIDE

The Glories of the Resurrection Morn Reflected in Ceremony, Sermon and Song Tomorrow

ST. PATRICK'S CHURCH. Easter, the greatest feast in the Christian cycle, will be celebrated at St. Patrick's Church with the gladdest expectancy with which the Resurrection of Christ is associated in the believing mind. The Reverend Pastor will be assisted by a Father from Holy Cross Monastery, Cincinnati, Ohio. At the early services, the junior choir will render appropriate music. At the late Mass at 10 o'clock, the music, under the Directorate of Mr. W. A. Cole, with Miss Downey at the organ, will render the following tastefully selected program:

Worms

"Cascara is certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape worm 45 feet long. It was Mr. Matt Freck, of Millersburg, Dauphin Co., Pa. I am quite a worker for Cascara. I use them myself and find them beneficial for most any disease caused by impure blood." Chas. E. Condon, Lewistown, Pa., (Millersburg, Pa.)

OUR WEEKLY SPORT LETTER

BY C. H. ZUBER. CINCINNATI, O., April 14th, 1911.

Once more the baseball season is under way, and for the next six months the principal cry to be heard on the streets, in the marts of trade and even in the Synagogues will not be, "How's your mother?" or "Is business good?" but "What's the score?" The condition of the United States Treasury, the possibility of meeting the grocer's bill or the speculation as to whether it will be a girl, a boy or twins, all sink into insignificance compared to the importance of knowing whether "we" are victorious or vanquished. Each year adds to the excitement of the opening games, and each year increases the number of followers of the game. This is true of the large cities, the villages and the hamlets; and even in the strictly rural districts, where houses are far apart, the love for baseball is on the increase.

Looks as if the St. Louis Cardinals, with their four ex-lords doing great work, are going to fool some of the wise ones this spring. When a team can down a rival seven times in succession, it must have some class. That's what the Cardinals did to the St. Louis Browns of the American League.

The Cardinals will make their first appearance in Cincinnati on Sunday, April 16th, and there is already a great demand for seats for this game, due to the good showing made by Breckinridge's athletes this spring. The next Sunday game following on the local lot will be with the Pirates on April 23d. Excursions on all roads.

Over in Paris they have the peculiar idea that white men should not batter each other up in the prize ring, and that this sort of thing should be limited to the able exponents of the art of self defense. Consequently, fights between colored men are better patronized than are the scraps of the white pugilists. Joe Jeannette and Sam McVey, two of the best of black American scrappers, have already acquired fortunes by their series of battles at the French Capital, and Sam Langford, the "Boston Tar Baby," is over there now to get his share of the shekels. While Johnson isn't doing any talking for publication behind the prison walls of San Francisco, where a punchant for speeding his auto landed him, it is said that as soon as he gets out he'll also be to Paris for some of the easy money. Meanwhile the game is getting better for white fighters in America, indicating a more liberal spirit on the part of city officials everywhere.

Kentucky will see most of the racing in the United States during the present summer. The season, which opens next week, will include dates at Lexington, Louisville and Latonia, and is expected to bring out a better class of horses than has been seen on the Kentucky tracks in many years. This is due to the fact that the owners have no other places to race them except on the Canadian circuits, and these will be too cold for a month or six weeks to make the sport really attractive. Taken all in all, however, there will be less racing in the United States this season, both on the running and the harness tracks, than in many previous years.

FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Women's Ailments.

I am a woman.
I know woman's sufferings.
I have found the cure.
I will mail, free of any charge, my home treatment with full instructions to any sufferer from women's ailments. I want to tell all women about this cure—yes, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White discharge, Uterine Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pain in the head, back and bowels, bearing down feeling, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weakness, kidney and bladder troubles, where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book, "WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says, "You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharge, and Painful or Irregular Menstruation in 10 days. Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell you any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, happy and robust. Just send me your address, and the free ten day's treatment is sent to you also. Write today, as you may not see this offer again. Address: MRS. M. SUMMERS, Box H, South Bend, Ind., U. S. A.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at this will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. World's Dispensary Medical Association, Props., Buffalo, N. Y.

In the Circuit Court yesterday in the case of Newdigate against Taylor the defendant was given judgment for \$25 and costs. Court adjourned until Monday morning.

Dr. Stanley Clark, Mt. Olivet's popular Dentist, was in the city yesterday combining business with pleasure—visiting his mother and sister in East Fifth street and doing some necessary shopping. Stanley is a Maysville boy that has made good.

The members and friends of the Woman's Foreign Missionary Society of the First M. E. Church, South, are requested to remember it tomorrow with their annual Easter offerings. Place your contributions in the basket in the vestibule. MRS. JOHN W. BOULDER, President.

DEPLORABLE ACCIDENT

Five-Year-Old Child Run Over By Adams Express Company's Wagon—Injuries May Prove Fatal

One of those accidents that cause the beholder's heart to stop pulsating occurred yesterday afternoon about 4 o'clock, when John Thomas, the pretty and bright little five-year-old son of Mr. and Mrs. W. H. Luman of West Second street, was, perhaps, fatally injured by being run over by the Adams Express Company's wagon while en route to the C. and O. Depot, in charge of Pickett Halmer.

However, it may have happened, and the deplorable incident was witnessed by a number of people, it was unavoidable on the part of the driver, who is said to have been in no wise conserable, as he stopped his wagon as soon as he possibly could.

Thomas and his companion, Willie Slack, son of Coroner Slack, both about the same age, were playing near Gable Bros. coal office. It is supposed that Thomas, in his eager play, ran out of the entrance to the coal yard onto the street, and the wagon passing by at the instant, he bumped into the moving vehicle and fell, the hind wheel passing over his breast. He arose and staggered to the curb, where he fell. Mr. Henry Bierley, who was an eye witness, ran and gathered the unconscious child in his arms and carried him to his home nearby.

The little fellow is badly hurt. Besides several fractured ribs and contusions, Dr. Cooper, his attending physician, is apprehensive of internal injury.

News from the little fellow this morning is that he passed a very restless night.

Thomas is the only child of Mr. and Mrs. Luman and they have the sympathy of their many friends in the misfortune that has come to them.

ANSWER IT HONESTLY

ARE THE STATEMENTS OF MAYSVILLE CITIZENS NOT MORE RELIABLE THAN THOSE OF UTTER STRANGERS?

This is a vital question. It is fraught with interest to Maysville. It permits of only one answer. It cannot be evaded or ignored. A Maysville citizen speaks here. Speaks for the welfare of Maysville. A citizen's statement is reliable. An utter stranger's doubtful. Home proof is the best proof. Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried remedy after remedy, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drug Store. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

BIG SALES YESTERDAY

At Both Warehouses—Missouri Tobacco Sells at Good Prices

Yesterday's heavy leaf tobacco market was one of the best of the season, the offerings being of better quality than usual and prices ruling much higher. Total sales amounted to 167,541 pounds, selling at from \$2.40 to \$2.50 a hundred.

The Farmers' market sold 33,715 pounds at from \$3.50 to \$3.75. A crop belonging to List & Martin of Lincoln county, Ohio, averaged \$12.00 per acre.

The Duffel house sold 134,225 pounds at from \$2.00 to \$2.15 a hundred. Practically all of the tobacco sold at the house was Michigan grown and brought unusually high prices on account of quality and color. Several outside buyers were present and bought heavily.

Accompanying the Missouri leaf were W. C. Farmer of Smithville, Mo., C. S. Clark, Newton Dix, Samuel Allen, J. W. McCauley, E. W. Miller, W. R. Holland and wife, the latter being guests of Mr. and Mrs. C. M. Jones at the White Hall.

The Missourians were well pleased with tobacco and delighted with Maysville and her people.

Night Rider Case Settled
The last chapter in the night riding case, so far as the Federal Court in Covington is concerned, was cleared from the docket Thursday. Judge Cochran had set the case of Robert Staton against Elbert Routt and others of Bracken county for Thursday, and while in the building during the progress of another trial an agreement between the parties was reached and the case settled and dismissed. Staton sued for \$50,000 damages, alleging that defendants set fire to his barn and tobacco, and gave him a whipping besides.

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheap, easy to install in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to cut down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/4 TO 1/2 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.
